Alexandria, VA 22313-1450

Sir:

This supplemental response is occasioned in light of the interview summary mailed June 18, 2008. It is appreciated that in the interview summary the Examiner states that Claim 1 is generic, notwithstanding the fact that the Examiner took the position that no claims were generic in the election requirement mailed April 22, 2008. The Examiner invites counsel to respond to the election requirement and such response has been made on June 23, 2008.

Respectfully submitted,
